STATE FOREST HUNTING A SUCCESS

During the two-day hunt on the State Forest, November 20 and 22, one hunter in every 15 killed either a deer or turkey. One thousand and nine-six hunters participated, with 553 checking in at the Cumberland State Forest, 511 in Buckingham, and 32 on the Prince Edward Forest.

There was a total of 39 deer killed (20 in Buckingham and 19 in Cumberland), and 32 turkeys collected (28 in Cumberland and 5 in Buckingham). Of the 39 deer, 17 were in the year-and-a-half classification, 13 were two and one half, and 9 were three and one half.

Eighteen of the deer were 7 points or over. The heaviest buck was a 10-pointer weighing 172 pounds. There were 19 hens and 13 gobblers in the turkey kill.

Subscription rate: $2.00 a year payable in advance.

The popular songs associated with Christmas, we may as well list here about Rudolph, the red-nosed reindeer. The reindeer with the built-in flashlight bulb for a nose had a small beginning in 1938. Rudolph is as well known as Jolly Dumpty or Cinderella. Robert L. May invented Rudolph as a special promotion for a mail order house. Johnny Marks, the song writer, read the title, Rudolph, the red nosed reindeer, so he wrote a song about it. Gene Autry made the first recording of the song, a record which has sold well over 12,000 copies. One year there were 31 different recordings of Rudolph on the market, ranging from Chile Robinson to Bing Cros-

A December day in 1846, an man by the name of Henry sat at the library desk of his home, addressing what were only the first Christmas cards printed. Two months before, had engaged an artist, John Horsley, to paint an illustration to be used on a card that he anticipated mailing out for Christmas. The picture was that of a Victorian family gathered at the Christmas table—and there were the usual toasts—A Merry Christmas and a Happy New Year to all." Cole had 1,000 copies of the lithographed. And the idea was born. Cole became famous. He was knighted by the King. Today there are millions of Christmas cards are mailed. One: "Snow Under Arch"—is from a painting by Currier Ives. Another, "The White Christmas" by Grandma Moses is another favorite.

Here's a new law from Saudi Arabia—an independent kingdom—of which occupies the main part of the Arabian Peninsula) which is even more effective than that in Virginia's Second Offenders Law: "If an accident occurs as a result of speed and negligence, and does not result in death, the offender will be imprisoned for one year and his driving license will be taken away. If an accident results in death of any passengers, and the guilt is proved to have been the driver's fault, he will be executed whenever the victim's next of kin request it to be." (From Virginia Traffic Safety News).

A friend was in yesterday to offer a suggestion: Appomattox needs a Community Clan! He pointed to the repeated series of "drives" for funds and for worthwhile causes—and thought it would be a good thing if they could be pulled together into one big drive. We have long had the plan and it is used in communities with great success. Just to hear from you!

Here's hog killing time, and that puts in mind that for many years the Highland got sausage from Mr. S. Guy Smith. We used to look forward to the season, and relished that sausage Mr. Smith always brought us. However, we still get country sausage. Mrs. L. M. Wilkes supplies us, and it is good sausage.

Not what people eat but what they want that makes them fat; not what they read, but what they wish that makes them dull. It is not what they profess but what they practice that makes them righteous. —Lake Mills Graphic.

V. I. P. To Be In Appomattox Saturday

This Saturday, December 18, at approximately 2:30 P. M., a Very Important Person will visit the town of Appomattox.

The "V. I. P." will be none other than Santa Claus, and the occasion is the annual Lions Club Christmas party for the children of the community. For many years the local Lions Club has staged this project, as a public service.

Santa will arrive on Main Street opposite the railroad depot at 2:30, and rumor has it that he will travel in a decorated sled pulled by a jeep. Anyway, arrive he will, and parents are invited to bring the children out to meet him.

Once again, too, Santa will have candy to hand out to his young friends.

Plans for the arrival of Santa were completed at last Thursday night's meeting of the Lions Club. Special committees were named to aid Santa in his annual appearance in Appomattox.

List A New Schedule For School Cannery

The Appomattox School Cannery will close on December 23, for r Christmas holiday. The Cannery will reopen the Monday after Christmas and will be open by appointment through Thursday, December 30. All patrons expecting to use the Cannery after Christmas are requested to make their appointment or reservation as soon as possible. Thursday, the 30th, will be the last day that any processing may be done."

Although the final records for this cannery session are not yet in it appears that 1954 will be a good year for the Appomattox cannery in regards to the number of patrons using the facilities and the number of cans of food processed. Through the end of November 565 people had used the cannery facilities and over 40,000 cans of food had been processed.

County Nears Bond Goal

Appomattox County has reached 97% of its 1954 quota in the sale of U. S. Savings Bonds, according to Judge J. W. Flood, chairman of the County Savings Bond Committee .

Judge Flood declared that purchases of U. S. Savings Bonds between now and the first of the year should put Appomattox over its quota of $90,000 for the year. He stated that the Appomattox record was most favorable by comparison with other counties in this area, and should be one of the first to get 100% of the 1954 quota.

1955 FLUE-CURED ALLOTMENTS TO BE CUT ABOUT 5 PER CENT

The U. S. Department of Agriculture has announced the national acreage allotment and the proclamation of marketing quotas for the 1955 crop of flue-cured tobacco. For most farms, allotments will be about five per cent smaller than in 1954. The 1954 crop was the last covered by marketing quotas voted in by growers during the referendum of 1952. A similar vote will be taken for the 1955 crop, since the Secretary of Agriculture has proclaimed its need.

The department announced that the total acreage available for the 1955 allotments is about 1,009,000 compared with 1,053,000 acres allotted in 1954.

The 1955 national quota was set in the amount of 1,270 million pounds, based on the highest carryover on record of 1,015 million pounds, the 1954 crop estimated at 1,328 million pounds, and total supplies of 3,243 million pounds.

RED CROSS GOAL TO BE $85,000,000

Washington, D. C.- To continue its vital aid to people in distress and provide necessary help to servicemen in all parts of the world, the American Red Cross announced today it will seek $85,000,000 and 30,000,000 members in its March, 1955 campaign.

"In addition to its vast health and safety education programs and nationwide network of daily emergency services, the Red Cross always must keep itself in readiness to meet great national emergencies such as might result from enemy attack," American Red Cross Chairman E. Roland Harriman said. "Failure to do this would be a remission in duty to the people of this country who for more than 70 years have looked to the Red Cross as a rallying point in time of trouble.

"This preparedness for what may come—particularly in our disaster blood, first aid, and nursing services —requires continual strengthening of our programs. They cannot be put in moth balls to be pulled out in case of a national emergency."

Dr. Hyler, Veterinarian, Locates Here

Dr. T. Hyler, a veterinarian, has located in Appomattox and is available for the practice of his profession. Dr. Hyler, a native of Danville, Va., is a recent graduate of Texas A. & M., with the degree of Doctor of Veterinary Medicine.

At present, Dr. Hyler is rooming here, but plans to move in a home here. Dr. and Mrs. Hyler have an eight-week-old son.

At present Dr. Hyler may be contacted through the office of County Agent R. B. Hudgins.

The steady increase in livestock production in Appomattox County has led to a need for a resident veterinarian, and the public will be pleased to know that Dr. Hyler has located here.

R. B. Hudgins, county agent, advises that the project of securing a resident veterinarian for Appomattox has been a principal aim of the County Agricultural Board,of which John C. Cole is chairman. He is delighted that their efforts have been successful.

Dr. Hyler may be reached by calling Appomattox 2364.

Local Bank Announces Plan To Install A Night Depository

The Farmers National Bank announced today that it will install a Night Depository for the convenience of this community. The Night Depository has been purchased and will be installed as soon as possible after the first of the year.

Need for a Night Depository was recently highlighted by several robberies in this area.

A Night Depository enables customers to make deposits after the regular banking hours.

Appomattox Post Office To Be Open Extra Hours

The Appomattox post office will be open all day this Saturday, instead of observing the regular closing hour of 1:00 P. M. The office will also be open on Sunday from 1:30 to 3:30 P. M. These changes in hours are for the convenience of the public in the handling of holiday mail. The "Christmas rush" began in earnest this week at the local office, with heavy volume of incoming and out-going mail.

Legion Aux. Met Monday

Unit 104, American Legion Auxiliary held its regular December meeting at the American Legion building on Monday evening. At this meeting the unit voted to contribute $5.00 to the U. D. F. drive and to help with the Heart Fund Drive in February. It also went on record as supporting the Garden Club in its request that the homes and business places be decorated in a theme in keeping with the real meaning of Christmas and also would like to ask that all "keep Christ in the observance of Christmas."

The program consisted of a ra- The program on Christmas gift shops Mrs. R. A. Sears, Mrs. Clifford Harvey and Mrs. H. C. Pulliam were hostesses.

The following honor roll has been announced at the Pamplin High School:

Mary Edith Ranson, Joel Coleman, Barbara Gilliam, Erma Shelton, Ralph Pankey, Frances Saunders, Ann Ligon, Rosa Shelton Rita St. John, Mildred Tolley, Janice McClenny, Joann Price, Peggy Garrette, Edith Burrell, Evelyn Ferguson, Bobby McClenny, William Ranson, Dan Seamster, Marie Tolley.

FORETELL HOLIDAY DEATH TOLL

New York.- High speed and alcohol, perennial killers of American motorists and pedestrians, once again will head the list of causes of highway fatalities during the Christmas week-end, when at least 205 persons will die in crashes caused by these two factors alone.

According to a prediction today by the Association of Casualty and Surety Companies, the probable death toll from accidents involving high speed or speed too fast for conditions will amount to 124 victims. Alcohol, taken too freely by both drivers and pedestrians, is expected to account for another 81 victims.

Before the end of the week-end which starts officially at 6 P. M. December 23 and closes at midnight December 26, there also will be 37 deaths in accidents caused by failure to keep to the right of the centerline, 26 more for failure to yield the right of way and another 23 in crashes caused by overfatigued drivers or drivers actually asleep at the wheel.

In releasing the prediction, Thomas N. Boate, managed of the Association's accident prevention department, pointed to overzealous holiday celebrants as principal offenders in the accident picture.

"This year, as every year," Mr Boate said, "the party-goer who just doesn't know when to quit will substitute grief for Christmas joy when he kills himself or someone else, on the way home from an overindulgent celebration. Any driver who drinks even though he may not be obviously drunk, is a potential killer on the highway. It would be well for hosts and guest alike to remember that when planning a party during this Christmas season."

Entered Oakville Store

Martin's Store at Oakville was entered Sunday night, but a safe in the store, containing only papers was not opened. Entrance was gained by breaking a window glass, after a smaller glass in the front door was broken but apparently did not afford entrance. According to reports, only one gallon of anti-freeze was missed. The entrance was discovered Monday morning when Mr. Martin opened for business.

INDUCTED INTO ARMED SERVICES

The Appomattox Local Board, Selective Service, announced today that Narrold Winchell Watkins was inducted into the Armed Services on December 7.

SCHOOLS TO CLOSE FOR HOLIDAYS

Appomattox County public schools will close at the end of the school day on Wednesday, December 22, for the Christmas holidays, Schools will reopen on Monday, January 3.

LEGION MEETING MOVED UP TO MONDAY NIGHT

The regular monthly meeting of the American Legion, Post 104, has been advanced one week for the month of December. They will meet next Monday night, December 20, at the Legion Hall, and at that time wrap the packages for needy children of the county. All members are asked to attend and help in this task.

Lions Donate Flint Rock To Texas Club

A 4" x 7" x 12" flint rock from the Surrender Grounds at Appomattox was mailed yesterday to the Lions Club at Waco, Texas, to be used in a unique lighthouse type entrance to a new community recreational park in that city. The Waco Lions Club requested Lions Clubs all over the nation to contribute a rock specimen for this purpose. In announcing the mailing of the specimen from Appomattox, Lion President Joel W. Flood stated that he felt that a rock from the local Surrender Grounds would be a significant contribution to the Texas project. Lion W. D. Morris mailed the package yesterday.

According to Lion Earl Harrison vice-president of the Waco Lions Club, his organization is completing a community park featuring a swimming pool and facilities for baseball, softball, tennis and playground equipment. The entrance to the park will be a "Lions International Liberty Light," mounted on a lighthouse type pedestal. It was desired that the material for the lighthouse light be made of rock specimens from Lions Club all over the nation.

GARDEN CLUB SPONSORS DECORATION PROJECT

This year the Appomattox Garden Club is again sponsoring the decoration of homes at Christmas.

The homes will be judged on the evening of December 23, and will be judged in two classes, that of all-over effect and that of just the doorways. All homes in the town will be judged. If anyone outside of town wishes a home judged, please telephone Mrs. C. T. Moses, Jr.

Rev. Floy Cox To Leave The Hebron Church

We are informed that the Rev. Floy Cox, pastor of the Hebron Baptist Church, has tendered his resignation, as of January 1. He has accepted a call to become pastor of the Madison Heights Baptist Church.

The Rev. Cox has been a popular pastor in this county, and he will be greatly missed.

Mayor's Statement On S-D Day

Mayor Chas. F. James, of Appomattox, issued the following statement in connection with national "S-D Day" (Safe-Driving Day) observed yesterday:

"S-D Day is sponsored by the President's Action Committee for Traffic Safety in cooperation with various national organizations. It is a day to demonstrate that traffic accidents can be reduced materially when each motorist and pedestrian accepts responsibility for observing both the letter and the spirit of the law and traffic regulations. Everyone should drive and walk in the same manner they would like for the other fellow to drive and walk. The urgency of this special occasion springs from the fact that last year our nation had a death toll of 38,300, and injuries to more than one and a quarter million persons in traffic accidents. This was accompanied by an intolerable economic burden for the nation in property damage and loss of time from work. We now have 18 million motor vehicles in this nation, and we need to join our efforts toward a goal of making every day a safe driving and safe walking day."
